

General Electronics Laboratory:

General Electronics Laboratory:

The General Electronics Laboratory is setup in the Transit campus of IIT Palakkad. This space is being used to run lab courses in Digital and Analog Electronics, Digital Signal Processing, Computer Aided Design & PCB fabrication and Computer Organization. For this purpose, the lab is equipped with 42 workbenches -- each with a power computer, a 100 MHz Digital Storage Oscilloscope (from KeySight), a 60 MHz Arbitrary Waveform Generator (from Tektronix) and a Multi-Output power supply. Some specialized equipment for fine PCB work with surface mount components has also been procured....[more](#)
